

PRECAUTIONARY FOOD SAFETY ALERT

Precautionary Food Safety Alert from Deli Spices (Pty) Ltd:

A logistics truck carrying Deli Spices products was hi-jacked in the greater Gauteng area on Wednesday, 14 November 2018. The logistics company tracking system, has indicated that the products could have been stolen in one of three possible locations: Pretoria, East Rand or Vereeniging.

Several of the products contain a curing salt pack. These curing packs contain the following chemicals, SODIUM NITRATE & SODIUM NITRITE, which are harmful if not used within a specific food production process.

There are three different pack sizes: 50g, 300g and 900g, all labelled as “CURING SALT PACK”. If a pack is found or presented to you, please do not ingest or attempt to use the product at all.

A picture and example of the packs and the label are provided for reference.

Please contact **011 019 2842** to arrange for collection and safe disposal.
